Kennewick, Washington 99336-6018

Dear Mr. Dougherty:

REVIEW AND UPDATE TO THE OPERATIONS AND MAINTENANCE MATRIX AND THE SOLID WASTE  
CONTROL PLAN FOR THE 200 AREA EFFLUENT TREATMENT FACILITY (ST 4500)

41583

This letter is being submitted to demonstrate the completion of the enclosed  
annual review requirements in conditions S.8 and S.10 of the State Waste  
Discharge Permit No. ST 4500 for the 200 Area Effluent Treatment Facility.

Should you have any questions or comments, please contact Randall Krekel, of  
my staff, at 376-4264, or Roger A. Quintero at 376-0421.

Sincerely,

James E. Rasmussen, Director  
Environmental Assurance, Permits,  
and Policy Division

200 Area Effluent Treatment Facility  
State Waste Discharge Permit No. 4500  
Annual Review and Update for the Operations and  
Maintenance Matrix and the Solid Waste Control Plan  
August 1996

An annual review and update has been performed on the Operations & Maintenance Matrix (Matrix) and the Solid Waste Control Plan (Plan) for the 200 Area Effluent Treatment Facility. Sections S.8 and S.10 of the State Waste Discharge Permit No. ST 4500 require that a review of the Matrix and Plan be performed at least annually. The updated Matrix and Plan and references have been placed in the 200 Area Effluent Treatment Facility regulatory files and are available for Ecology to review at this location.

I certify under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of a fine and/or imprisonment for knowing violations.

  
Thomas K. Teynor, Director  
Waste Programs Division
